

1. INTRODUCTION

The Norwegian Basic District Units are provided by Statistics Norway. The data provides a spatial reference for each of the Municipalities in Norway. The layer is useful for providing a reference to the different areas within Norway as well as territory mapping and hot spot mapping.

If you have any questions relating to the information in this document, please contact Geoplan Support on +44 (0)1423 722719, or email support@geoplan.com. The Support Team is available Monday – Friday, 9.00am – 5.00pm GMT, excluding UK public holidays.
