

1. INTRODUCTION

The Estonian Settlements are provided by Natural Earth. The data provides a spatial reference for the Settlements in Estonia. The layer is useful for providing a reference to the distribution of the Settlements in the region, as well as capabilities for Territory and Catchment analysis.

If you have any questions relating to the information in this document, please contact Geoplan Support on +44 (0)1423 722719, or email support@geoplan.com. The Support Team is available Monday – Friday, 9.00am – 5.00pm GMT, excluding UK public holidays.
